**Please do not bring large three-ring binders. We do not have a lot of storage space in our classroom. You will be assigned a locker number to put your belongings in. All items that belong to you **MUST** fit in the locker. In other words, if it doesn't fit in your locker, you will have to carry it with you. Due to limited amount of space in the lockers, please do not purchase locker decorations.**

**Students are required to purchase a calculator for Math. The cost for the calculator is \$12.00. Please give this money to Mrs. McFaddin as soon as possible.**
